

A cartoon illustration of a wooden wagon with four spoked wheels. A white label on the side of the wagon reads "Social media Bandwagon". The wagon is overflowing with various social media logos. From left to right, the visible logos are: YouTube (red and white), Pinterest (green with a white 'P'), Digg (blue and white), Flickr (red and white), and Facebook (blue with white text). The logos are tilted and overlapping, suggesting a sense of motion and popularity.
